Merrill Lynch, Pierce, Fenner & Smith Incorporated (also referred to as "MLPF&S" or "Merrill"), its affiliates and financial advisors do not provide legal, tax or accounting advice. You should consult your legal and/or tax advisors before making any financial decisions.

This material does not take into account a client's particular investment objectives, financial situations or needs and is not intended as a recommendation, offer or solicitation for the purchase or sale of any security or investment strategy. Merrill offers a broad range of brokerage, investment advisory and other services. There are important differences between brokerage and investment advisory services, including the type of advice and assistance provided, the fees charged, and the rights and obligations of the parties. It is important to understand the differences, particularly when determining which service or services to select. For more information about these services and their differences, speak with your Merrill financial advisor.

This presentation is being produced by a third party not affiliated with MLPF&S and is for information and educational purposes only. The opinions and views expressed do not necessarily reflect the opinions and views of MLPF&S. Any assumptions, opinions and estimates are as of the date of this material and are subject to change without notice. The information contained in this material does not constitute advice on making any particular investment decision nor is it intended as a recommendation, offer or solicitation for the purchase or sale of any security, financial instrument or strategy.
