

Merrill Presents: The Current Cyber Security Landscape

Join our panel of experts as they discuss the current state of Cyber Security and the evolving threat landscape. Topics to be discussed:

- Cyber Security trends
- Maintaining strong security practices while working from home
- Stories from the front lines of Cyber Security

Speakers:

Benjamin Tweel- is a Cyber Security Officer in Bank of America's Global Information Security team and is currently driving customer cyber security education and awareness. Ben's past responsibilities have included roles in incident response, vulnerability testing and remediation, and vendor contract security reviews to support business goals, while championing strong cybersecurity principles and practices.

Jim Scopis – is an executive with Bank of America's Cyber Threat Intelligence and Customer Protection Team. His responsibilities have included Information Security architectural solutions and enablement as well as driving cyber security awareness programs to multiple lines of business and technology teams across Bank of America, Merrill Lynch and US. Trust.
